## Varsity Experiences Building Year

The Varsity Football Team ended the season with a 3-7 record. The record, however, failed to reflect the hard work and outstanding play exhibited throughout the season. Inconsistencies and injuries kept the Jags from living up to their full potential. They did, however, exhibit their power with impressive victories over Wakefield and Jefferson.

The backfield and receivers proved to be the bright spot in the Jaguar's offensive attack. Mike Grayson and Jeff Harris provided a strong rushing attack. Quarterback Mike Reeves guided the

team, mixing the running attack with passes to his favorite receiver, Calvin Yarbrough. Paul Woodside added a new aspect to the offense by supplying an excellent kicking game.

Defensively, the Varsity team did an outstanding job considering the fine offensive teams they faced. Led by the "salt and pepper," Donny Bruch and Donald Denny, the defense came up with many crucial plays. Gary Beach, Craig Morris, Joe Tassi, Scott Rowland, and Jim Steigerwald also played excellently by coming up with many hard, well-placed tackles.

## JV Posts Winning Record

The Falls Church JV football team ended with a 4-3 record for the 1978 season. Offensive backs Frank Grant and Pete Boyer guided the team into their winning season. Quarterback Bill Wheatley also proved to be a big asset to the team.

The defense did an excellent job of pursuing and attacking the opposing offense. Standout Steve Clark aided the defense with many good tackles.

This year's Freshmen Football team continued the Falls Church tradition by rolling to a 6-0 season. With the aid of tackle Tim Staples opening up holes in the offensive line, quarterback Pat Martin and running back Ted Carpenter led the Jags to impressive victories. Behind the leadership of Gary Culbreath and Tom Evans, the defense was able to shut down the opponent's attack. In all, the Baby Jags outscored their opponents 132-26, and racked up four shut-outs. Starting out with an undefeated season, our Freshmen team promises good things for F.C. football in the years to come.

With a record of 2-6-2, the Falls Church field hockey team had a great time while encountering the many difficulties that arose. This year, the team was captained by Greta Wimmer, with co-captains Brenda Monahan and Mary Mattson. Led by seniors Cathie Arundel, Carolyn Patterson, Pam Powell, Sue Sheviak, and Carla Thompson, the team struggled through many difficult games, constantly representing a threat in the Potomac District. As stated by captain Greta Wimmer, "despite our record, the spirit and closeness of the team made this our best year ever in hockey."

## JV Takes Second in District

The Falls Church JV Field Hockey Team had a successful year with a 4-3-2 record. Though young and inexperienced, the team learned to work together, ending up with an exceptionally good season. Despite the lack of numbers at the beginning of the year, Coach Jones brought the team together and developed their skills until both an excellent offense and defense had emerged.

The boys' Varsity Cross Country team did not have the season they had anticipated. The team consisted of all freshmen and sophomores with the exception of one senior — Mark Moran. The team is looking ahead to next season when they will have the experience they need. The team was led by an outstanding runner, Tim Dolan. Tim placed eleventh in the Winchester Invitational. Overall, the team placed fourth in Districts with a 2-4 record.

The 1978 girls' Cross Country team finished up the year with a very successful season. Leading the Jags was senior Mindy Pajak. Following close behind was senior Cheryl Dolan, sophomore Demetra Arapakos, and senior Pam Murphy. The team participated in several meets this year. One such meet was the Winchester Invitational. Several of the runners received medal awards. They also competed in the George Mason Invitational in which they finished fourth. The girls then advanced to the district meet bringing home third place. After districts, the team proceeded on to the regional meet where they captured a fifth place title. Coach Wells felt that the girls had done an outstanding job this year and he is looking forward to next year.

This year the girl's Varsity Tennis team finished the season with a record of 3-9. Despite the slow start, several members advanced to the Potomac District Tournament. Competing in the tournament were Barbara Wheatley and Debbie Wilkie for singles. Barbara Wheatley paired up with Carol Davis for doubles, as did Michelle Sessoms and Debbie Wilkie. Although the girls lost in the first round, Coach Wilson said that they played extremely well.

The varsity team consisted of only juniors and seniors, and was captained by Carol Davis, Barbara Wheatley, and Debbie Wilkie. Even though the team did not have the season they had hoped for, Coach Wilson said that overall they are an outstanding group of girls.

The F.C. cagers had a rough season, coming up on the short end of the score in 13 out of 18 games. Short described the Jags well, as they started just one man over six feet tall. Still, with hustle and team play, they played tough, taking most games down to the final minutes.

The Jaguars were led by leading scorer and rebounder Ash Sharman (18 pts., 12 rb) and high-scoring guard Bob Lamon (13 pts.). Guards Craig Morris and Mike "G-man" Grayson provided excellent leadership and defense, and forward Hawkeye Furbush pulled down many key rebounds.

Fine bench support was turned in by juniors Kevin Young, Mike Angelini, Mark Kalisch, Bob Tyson, John Liberty, and by senior crowd-pleaser Berry Cuffee.

Front row — Rick Olive, Sam Green, Chuck Ceney, Duke Norris, Todd Erlandson. Second row — Coach Dolan, Stuart Hunt, Steve Liberty, Shaun Shifflett, Milt Shomo, David Noland, Steve Clark.

The 1978-79 JV Boy's Basketball team ended the season with a 5-15 record. The strength of the team, though, was hurt severely by the loss of their most potent offensive player, sophomore George Small, midway through the season. However, this loss seemed to bring out increased talents in the other players.

Defensively, the Jags were led by forward Steve Clark. His aggressive defensive playing stopped the opposing teams from scoring more than they had intended. The defense was also strengthened substantially by the addition of Steve Liberty in the post position. His added ability thwarted the opponents even more. Freshmen Duke Norris supplied the team with much needed leadership at the point. The individual talents found in the JV squad this year promise an even more enterprising Varsity next year.

## Freshmen B-ball Posts Average Season

The 1978-79 Freshmen basketball team finished up the season with a 8-7 record. Co-captains Kevin Sutton and David Stickley provided the team with a strong offensive attack as well as the necessary leadership. Kevin averaged 18 points per game, with David pulling in an excellent 12 points. Defensively, the Baby Jags were governed by 6'2" Joel Fortune. However, Dutch Hudson gave the defense strength by being the leading rebounder for the team.

The Freshmen team as a whole is improving, and promises to be a District threat in the future.

## Girl's Record Doesn't Hurt Enthusiasm

Although the Girl's Varsity Basketball team, coached by Sandy Reynolds, didn't end its 1978-79 season with a winning record, its members were examples of success in a way that unfortunately statistics such as the won-lost column don't reveal. Being a part of the team signifies a most unforgettable experience, where pride and the intensity of competition are quickly felt, compatibility with others is gradually developed, and consequent respect and leadership are gained as invaluable assets.

The Jags were led this season by junior sensation and co-captain Sheila Owens. Performing mostly at the forward position, Sheila scored at a 25 point per game pace, pulling down an average 23 rebounds per contest, thereby breaking F.C. records for both those categories. Senior co-captain Greta Wimmer also contributed greatly in scoring at guard with her

fine shooting touch, while at the same time maintaining stability on the Jags as a team leader.

Helping enormously in the area of rebounds and giving the Jags some much needed height was Senior center Kathy Fritz. Senior head captain and guard Vicki Simpson also proved her value as a team leader and finesse as a defensive standout with her great quickness and sense of ball-awareness. Acting as a consistent and improved quarterback for the Jags this year was junior point guard Julie Jones.

Hopes for next year's season appear high with one freshman and six juniors returning, the majority of whom have three years of experience behind them. Inevitably, they should bring even more improved skills and continuity to Falls Church's 1979-80 Girl's Varsity Basketball team.

Front row — Laurie Gardner, Anne Fontaine, Trenna Covington, Benita Holland, Pam Hart. Second row — Karen Anderson, Lori Pickenpaugh, Maria

Lusick, Denise Matthews, Michelle Hill, Maura Burke, Evette Braton, Teresa Tribble, Coach Thorpe.

Coach Jim Thorpe explained the Girl's Junior Varsity Basketball squad's losing record for the 1978-79 season as being due to a great lack of experience on the part of the team members, with only two sophomores returning from last year's team. The Jags were undoubtedly better than their record showed as the girls lost several of their games by only six points or less.

Co-captains Maura Burke and Trenna Covington led the hard working Jags in scoring and leadership responsibilities, giving unity to the JV team. Co-captain Maria Lusick grabbed the bulk of the rebounds, putting forth a strong effort in an often underrated but essential category. Coach Thorpe believes the team can look to have a more successful season in 1979-80, since as many as seven to eight improved and fine players will be returning for Falls Church.

## Varsity Wrestling Pins Perfect Season

The Falls Church Varsity Wrestling team once again turned in an outstanding season. The Jags were undefeated, winning all dual meets, including the St. Stephens Invitational. For the fourth straight year the team took first in the District, finishing in a tie with W.T. Woodson. The wrestlers took three individual titles, and qualified ten wrestlers for regionals. The team was led by senior Steve Passino, who captured his fourth straight District championship, a feat previously unattained in our school's history. Other District champions included sophomore Chuck Collier and senior Jim Meadows. Excellent performances were also turned in by junior Scott Steadman, sophomore Paul Gallahan, junior Bob Rike, senior Tim Martin, senior Steve Epling, and junior Thom Venable.

After capturing fifth place, both Scott Steadman and Steve Epling ended the year with an outstanding season behind them. Regional champions Jim Meadows, Steve Passino, and Gary Harding went on to State, as did Bob Rike, who had a third at Regionals safely tucked away.

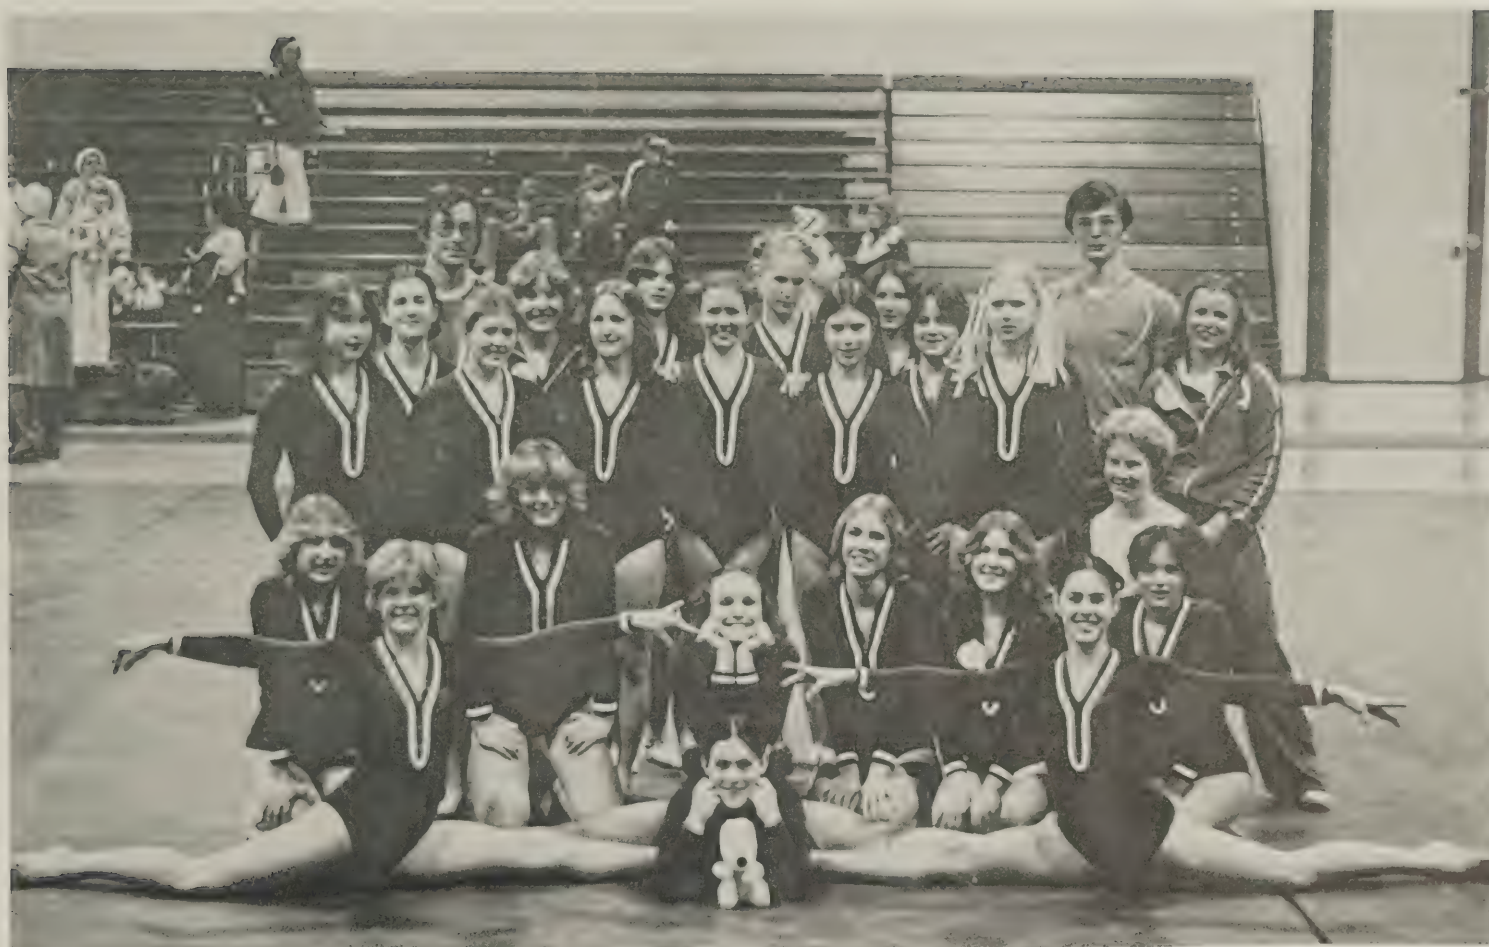

At State, Jim Meadows, who ended the year with a 24-2 record, was the one Jaguar who brought back a State Championship. Steve Passino (25-1) and Gary Harding (19-6) also placed impressively with a third and fifth place respectively.

## Gymnastics Is Well-Balanced

The 1978-79 Gymnastics team, though ending the regular season with a 1-3 record, sent a total of ten gymnasts to Districts. This says something for the quality of each individual gymnast, for the team was relatively young and inexperienced, mainly relying on their skill in each event. However, senior Cindy MacGowan was a tremendous asset to the team, participating in several events at once — something she had never done before — and ranking up team points with each fine performance. Junior Martha Campbell led the squad on the uneven bars, as did Elly Flaherty on the vault. Juniors Debbie Murray and Jill Murphy, sophomores Dawn Gerhart and Johnna Richard, and freshmen Karen Efird and Christie Herder also participated in Districts — each showing up with an excellent performance.

To Regionals went gymnasts Jill Murphy, Johnna Richard, and Dawn Gerhart. They gave all people there a respect of Falls Church High School Gymnastics.

Losing only a few seniors, gymnastics should have a promising future in the years to come.

The theme of this year's Swim Team was youth. The majority of the team members consisted of freshmen and sophomores. Brian Collie, Greg LaRow, and Adele Pile were the strengths of the team. Although these members were seniors and juniors, the underclassmen, inspired by team leaders Ann Cavazos and Bill Sykes, ought to provide an excellent basis for competitive seasons in the future years.

# Youth Plagues Boy's Track

Boy's Indoor Track this year ended up with a 3-4 record. The record, however, does not show the experience of the team — for it was made up of mostly sophomores; a rather young group, unacquainted with the pressure of a meet.

Despite the youth, though, individual talents sprang up with remarkable ability. Senior Claudio Bravo went to regionals with his skill at the high jump, and his tenacity at the hurdles. Junior Sam Browne, who was MVP for the year, made regionals also at the hurdles. Also making regionals were sophomores Tim Dolan with the 2-mile run, Tim Evans with both the mile run and 1000 yard run, and Darrold Smith at the 1000 yard run.

Due to the youth of the team this year, Falls Church expects an excellent Indoor Track team for the 1979-80 season.

The Girl's Indoor Track team concluded the season with six wins and three losses. They ended up with a third place in the District, and could not further show their talents due to there being no Regionals or State for Girl's track. However, this was the first year for a full schedule for the girls, and shining her talents throughout the season was MVP Cheryl Dolan. In the Districts, she took first in the shot, the 600-yard run, and second in the 300-yard run-racking up a total of 38 points for F.C. Other excellent shows were turned in by seniors Mindy Pajak and Wendy Holmes, lone sophomore Anne Campbell, and freshmen Kim Pollick, Annette Murray, and Michael Ann Kirby.

Girl's Indoor Track, with the number of underclassmen this year, should have an even more productive season next year.

## Varsity Baseball Profits From Experience

The Varsity Baseball team for the 1979 season promised good things for the year, due to the return of many experienced players.

With Bobby Lamon, Rich Sauveur, Rob McKeever, and Scott Shifflet alternating on the mound, the pitching staff proved to be the team's strong point. The infield was also solid, featuring Gary Beach on first, Scott Rowland on second, Marshall O'Shields on third, Mike Reeves and John Liberty as shortstop, and finally catchers Rick Fox and Mark Steele.

Possessing the combination of both experience and power, the team looked forward to a successful year under the direction of Coach McCulloch.

Front Row — Vicki Simpson, Theresa Tribble, Lyn Bibby, Julie Jones. Second Row — Brenda Custer, Patty Christie, Mary Cunningham, Brenda Turner, Deb-

The 1979 Girl's Varsity Softball team came off with an excellent year. With the experience of nine juniors and three seniors, the team led itself to a winning season. With the strength of junior Lyn Bibby on the mound, the girls were able to stop the opposing team from placing many people on the bases. The defense was also strengthened substantially by freshman Theresa Tribble, whom Coach Thorpe said as having a great arm. The girl's hitting was dominated by senior Vicki Simpson and junior Julie Jones, both of whom kept the opposing team busy in the field.

The team is expected to have an outstanding season next year with the return of their pitching and hitting strengths.

# Varsity Soccer Has Winning Season

Right from the very beginning, the boys soccer season at Falls Church was destined for success. With a record number of 65 dedicated young men trying out, head coach Rike and his assistant, Mr. Inguagiato, were hard put to choose the 22 players to be on Varsity. Once picked, the team displayed a remarkable level of play throughout the season even though the majority of 1978's district championship and regional second place team had graduated. The Jaguars will be losing the services of seniors Gene Bostiam, Steve Craigue, Steve Epling, Scott Gardiner, Buddy Patch, Bruce Pommer, and Ed Somers, but with 15 players returning, the team should be as strong as ever.

The 1979 Boy's Track team was plagued by youth. Consisting mainly of underclassmen, the team was strengthened by the experience of junior hurdler Sam Browne and sophomore distance runner Tim Dolan. The team was also highlighted by freshmen Mike Lusick, Joe Hepler, and Matt Prescott, sophomores Joe Koebel, Tim Evans, Bob Boile, and George Johnson — all who added necessary team points during the season.

Due to the return of about all of their key players next year, boy's track will definitely represent a threat in Districts next year.

The team was also under the direction of a new coach, Craig Davis, a veteran marathon runner. From the very beginning, Coach Guy Wilson expected a winning season for the Boy's Varsity Tennis team. And that was what the boys gave him. With senior Matt Datta coming from a district championship last year to fill in the #1 position, and senior Thang Nguyen, junior Fran Crookston, and junior Duane Greenfield filling in numbers 2, 3, and 4 positions respectively, the team was certainly not lacking in experience and talent.

With the loss of their two top men next year, the team will have to improve their talents to produce the same winning season for 1980.

# STUDENT LIFE

# Informals

Informal dances were held occasionally throughout the year. They were an excellent chance for students to socialize and become acquainted. These dances, unlike the Prom and the Homecoming dance, allowed students to come dressed in jeans rather than in formal attire. For the informal dances entertainment was provided by sound techs and the cafeteria was not decorated. For the formal dances entertainment was provided by bands and the cafeteria was decorated. Both informal and formal dances provided students with a chance to hear some good music and have some fun.

## Homecoming Game

Homecoming night was an exciting event for all. Despite the 19-7 loss to Woodson, the Falls Church Jaguars raised the spirit of the student body to a new high. The many floats provided an exciting half time. Hard work and dedication were evident in each float. The Seniors won first place with their Maxwell's Silver Hammer. The float depicted a gigantic hammer covered in tinfoil, crushing a Woodson football player. The motto "Nail Woodson" was printed across the bottom in large, vibrant letters. Especially exhilarated were the girls chosen for the court. The girls were driven around the track at halftime in Corvettes. The highlight of the evening was the crowning of the Homecoming Queen, Barbara Wheatley.

The atmosphere of the dance led to a most memorable occasion.

Weber Stadium was full on October 21, 1978, for the second annual Falls Church Tournament of Bands. Eleven bands from five states competed for top honors in the contest, which was hosted and sponsored by the FC Marching Band. The competing bands were in order of appearance: T.C. Williams of Alexandria, Va; Woodbridge of Woodbridge, Va; South Cobb of Austell, GA; James Madison of Vienna, Va; Fairmont of Fairmont, W.Va.; Statesville of Statesville, N.C.; J.R. Tucker of Richmond, Va; Sylva Webster of Sylva, N.C.; Lake Braddock of Burke, Va; and Kempsville of Virginia Beach, Va. Rounding out

the field was the Jaguar Band, which performed in a non-competing role. The evening was an enjoyable one, filled with precise marching, twirling rifles, flaming batons, a few cannon shots, and most of all, the best music around. When it was all over and the dust had settled, the South Cobb "Blue Eagles" had been named the winners. Sylva's "Golden Eagles" captured second for the second year in a row. The Kempsville "Chiefs" took third. Overall, the evening was an overwhelming success.

Coach Dolan and Donna Miller rendez-vous at the end of the licorice string.

Despite a somewhat disappointing football season, pep rallies held throughout the year helped to raise school spirit. The rallies presented opportunities for the Band and sports teams to receive some much deserved recognition. At each rally the cheerleaders, directed by Captain Susan Keller, led the classes in spirit competitions. The class which screamed the loudest during the competition had miniature footballs thrown to them by the cheerleaders. Additionally, a spirit chain was sponsored by the Sophomore class in October. Each class donated money, which went to the construction of a chain. The class with the longest chain won. As was the case in most of the competitions, the Sophomore class was declared the winner. The highlight

was Bell Day, held the day of the 'traditionally rowdy Stuart game. On this day students brought to school all the bells they could carry. At the rally the F.C. Stuart Bell was rung by each football player as he was introduced. It was also at this rally that the F.C. band performed their ever popular Guillotine, which soon brought the crowd to their feet. This year's teams, which previously went unnoticed at pep rallies, received recognition. The Cross Country team and girls' sports were all introduced and their accomplishments praised to the student body. Pep rallies were enjoyed by all. They raised school spirit and pride to a new peak, and also bolstered the athletic teams' spirits so they could perform their very best.

In late January the FC Drama department presented the play Arsenic and Old Lace. One interesting aspect of the production was that it was given in the round in the Little Theater. This gave the audience a chance to more fully enjoy the excellent performances given by the cast members. Marie Giroux as Martha Brewster impressed all viewers in her debut on the FC stage, while Tom Davis as Teddy Brewster periodically punctuated the action packed scenes with echoing cries of "Charge"! Future Rockets

"You were Miss F.C. last year, Mr. Allen."

The Miss Falls Church Pageant is a contest held each year. The girls are nominated by a source and later invited to participate. Nominees are chosen for their poise, beauty, and talent. The girls perform various acts and so forth to demonstrate their ability in musical, dramatic and other areas.

The entertainment is alternated with group acts including song and dance skits. Their quickness and overall intelligence is tested when the MC's, Ed Lewis and Wes Johnson ask each

contestant questions pertaining to various areas of knowledge. This is a highlight of the year as each girl looks excitedly forward to the competition. As one competitor stated, "I would be extremely honored and terribly proud to represent our school as Miss Falls Church. It would be a dream come true." The drama department, under the direction of Mr. Allen, does an outstanding job of organization each year to make the contest an enjoyable one.

On March 13th the National Junior Honor Society sponsored the third annual Battle of the Sexes. The evening started on a poor note for the girls, as Ms. Reynolds was edged by Mr. Dolan in eight minutes of one-to-one. The actual game started closely, but the girls took a five-point lead at half, 32-27. The second half was all boys, though, and although the girls played ten people at a time in the last four minutes, the boys emerged victoriously, 52-51.

# S.G. Continues Role as Center of Student Life

Front Row — John Elder, Keely Flynn, Sharon Floyd. Standing — Courtney Karlson, Mr. Campbell.

The Falls Church Student Government may be one of the largest and most dynamic organizations in the school. Its main purposes are to voice the opinions of the students to the administration, to supervise and schedule curricular and extracurricular activities, and to run the school elections. These elections include choosing dance courts and class officers. The S.G. ran this year's biggest fund-raising event, the magazine drive. The drive made more money than had ever been on one drive in the history of Falls Church. The S.G. runs many of the dances and other activities that made the school not only a place for learning, but for socializing as well.

# Legislators Voice Student Body Opinions

The legislators of the Student Government represent all the students in the school. This year's legislature proved to be one of the most hard working and diligent of recent years. The legislature voted money in Ms. Bellows' name to help eradicate the Athletic Department's debts. Money was also donated to help keep the newspaper distributed free of charge to all students. The legislature also provided other services. They participated in exchanges with other schools and took foreign visitors on tours through the school.

# Safety Council Belts Student Body

I. Mosher

The primary interest of the Safety Council was to keep the Falls Church driving record one of the best in the country. In accordance with this, the council members sponsored a Safety Day during which they checked student's cars to see if the drivers were wearing seat belts. If they were taking the proper safety precautions, prizes were awarded by the council.

## Committee Chairmen and SAC Assist SG

The Committee Chairmen are a group of individuals whose importance is not always recognized. Without them, many Student Government projects would not have been successful. Not only do the Committee Chairmen support the Student Government in the organization of dances and other social activities, they also run elections and keep various school calendars up to date.

The Civinettes started off the '78-'79 school year by painting the posts on Jaguar Trail. This service to the school brightened up the roadway to F.C. Many other services were rendered to the school by the Civinettes. Desks and chalkboards were washed, the football field was cleared of trash before all the games and the Tournament of bands. The Civinettes also contributed to the community by having a membership drive which brought in over sixty dollars. This money went to NARC, the National Association of Retarded Citizens.

A Key Club transaction.

The Key Club was one of the most active service clubs in the school this year. The club provided valuable aid to both the school and the community. Members cleaned up litter from under the football stands and monitored basketball games. Money was raised through the sale of coloring books and carrying a dragon for Pier 1. Service projects for the community ranged from working at a TV acution to raising money for the Salvation Army. In all, the Key Club had a very successful year.

This year the FCHS Keyettes have been very active. Their membership drive was very successful and they participated in joint projects with the Key Club, these projects included Pride Week competition, the Keyettes were successful in winning the Pride Week competition. They have done various service projects this year. They collected for different charitable organizations, went caroling during the Christmas holidays, and provided donuts for the faculty the first day of school. Besides their service projects, they have had some good times. They went skiing, held picnics, car washes, and went on a hayride. They also held a 50's dance and sold daffodils on the first day of spring. This year has been very good for the Keyettes and they hope to have a better year next year.

With the 78-79 school year starting, the Spanish Club here at Falls Church got right to work with a membership drive. The drive brought in many new members with new ideas and lots of energy. This has been a very active year so far. Some of the activities are: spirit button sale during the football season; huge member participation decorating a hall for Spirit Week; donating Scrabble games and two card games (both sets in Spanish) to the Spanish department of the school; sponsoring a family for a Thanksgiving dinner; participation in the faculty Christmas party; writing to pen pals from different countries; a planned soccer game with the German Club — the list could go on and on! The goal of the Spanish Club is to bring some knowledge of Spanish-Latin American customs and ways of life to the members. To accomplish this the club visited a few Spanish or Latin American restaurants during the year. For the enjoyment of the members there was also a Taco Day meeting where tacos were brought to the school!

Under the sponsorship of Mrs. Walbridge, French Club members met each month to advance their interest and knowledge of the French language and culture. They held a French dinner at Christmas time for the Faculty Christmas Party, one of the biggest events of the year for the language clubs. Additionally, the French Club enjoyed sampling the cuisine at different French restaurants in the area, and viewing various French movies in order to broaden their awareness of French culture.

# Deutsch Klub

Members of the German Club enjoyed learning more about culture of Germany and other German-speaking countries. They found the best way to learn is through experience. The club members familiarized themselves with the cuisine by tantalizing their taste buds at a German restaurant. The annual Christmas Tea for the faculty was a huge success; the club members each contributed a native dessert they made themselves. Learning the customs and traditions was an important factor in understanding a country. This year the club celebrated in the traditional German way and were visited by St. Nikolaus instead of Santa Claus. In the spring, a costume party was held to celebrate Fräsching. This year the German Club did more than just learn about culture; they also learned what it means to be charitable. For Thanksgiving, the club put together a food basket to give a needy family. The German Club also went caroling at Fairfax Hospital during Christmas. (German carols, of course!)

The 1979 Jaguar began the year with a change in sponsors. Under the direction of Ms. Comeau, the staff managed to produce the yearbook without missing a single deadline. In addition to the change in sponsors, the Jaguar also underwent a change in locations. This year's staff worked diligently in an old faculty lounge near the shop area. The photographers worked extremely hard and produced almost 1000 pictures. Their duties included not only taking photos, but scheduling sessions and care of the darkroom and its equipment. The other sections of the yearbook worked equally as hard. The business section solicited a record number of ads for the '79 Jaguar. Although the staff was composed mostly of novices, all worked cohesively. Head editor Joanne Mitton kept things running smoothly and made being a member of the staff enjoyable. In the process experience was gained in the hopes that an even better yearbook will be produced in 1980.

The International Relations Club suffered a decline this year. However, while the club failed to make it to the F.A.M.U.N. The main purpose of the club is to provide foreign students with a chance to participate in school activities. The club is trying its best to help the new foreign student with academic studies and encourage the student to voice their opinions about the school. After a struggle to boost enthusiasm the Torch and Banner Service Club became involved in many activities. Under the direction of Mrs. Corbin their membership drive at the beginning of the year brought many new faces into the club. Shortly afterwards TABS cleaned up the senior court yard each time it was toilet papered. They also continued their tradition of raising funds for the March of Dimes and holding a dinner in late January.

## FHA

The FHA/HERO took an active part in not only the home economics department of Falls Church, but in all school activities. The basic goal of the service club was to teach leadership and good management to its members. The FHA was part of a national organization and took part in several service projects each year. This year they planned to go to an Alexandria retirement home once a week to visit the residents.

National Merit Semi-Finalists were students who scored exceptionally well on their PSAT's in their junior year. These students placed in the near top 1% of the Nation while those students who placed in the top 5% were named commended students. This year's Senior class had more finalists and commended students than had been had in FC for many years.

In comparison to last year's disappointing showing, this year's team finished second in an exciting match that was not decided until the last round of questions. Team members John Elder, Rick McCaulley, and David Frenkel all performed excellently. Captain John Elder accepted a \$150 scholarship for the school from Giant Food, Inc. If the team continues to improve, Falls Church could have a championship team next year.

## Brains Not Brawn

The 1979 English Team had a bigger participation rate than ever before. Three teams under the direction of Mrs. Shearon, competed in several meets throughout the year and held practices three times a week to improve their English skills. Although this year's team was made up predominately of Seniors, enough promising underclassmen were also members to guarantee more success for the English Teams in forthcoming years.

The fifteen members of the Debate team, this year, in order to compete at their very best, spend long hours researching their material. The present topic concerns whether or not the U.S. should have an energy plan. All teams were required to "go switch," that is, be prepared to debate both affirmatively and negatively. The Debate team practiced twice a week and had participated in three meets, which were organized by the Washington Catholic Forensic League.

## "Class of '79"

Active, school spirited, superb, SENIORS. All of these words could be used to describe the Falls Church High School class of Seventy-Nine. This year's class proved to be one of the most successful ever. Seniors gave the Homecoming Dance and captured first place in the float competition with their "Nail Woodson" entry. Besides continuing the old traditions, this years Seniors started many new traditions. Senior Newsletters were distributed and T-shirts bearing all the senior's names were sold. Somehow seniors survived the trials and tribulations of; senior slump, work, difficult courses, new grading scales, and College applications to make it to that one day in June. Graduation day signaled the end of 12 long years of public schooling. Seniors realized that while they might not miss the school, they were going to miss the fun and most of all the friends they had made.

# Class of '80, '81, '82

# Juniors Promote Prom

Front: Suzanne Withaus, Secretary; Dana Lewis, President; Lisa Maccini, Vice-President. Back: Jeanne Laviolette, Cabinet officers: Lisa Shapbell, Treasurer.

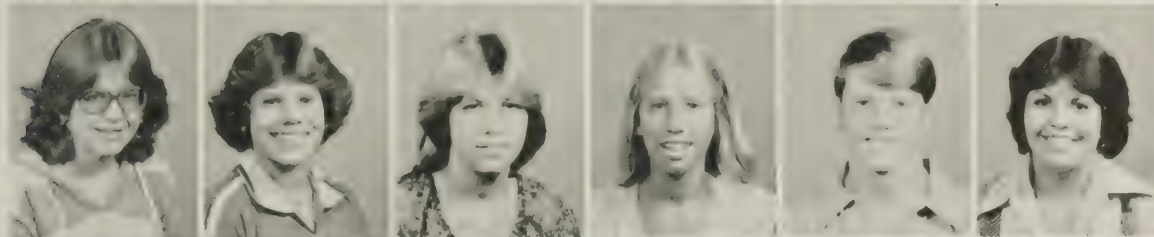

The class of '80 started the year off with financial problems due to a lack of participation. With the help of their sponsor, Mrs. Foland, the Junior class came up with many ideas for raising funds, such as selling candy, candles, and donation tickets. The Juniors were very school spirited. They entered a float in the Homecoming competition and decorated a

hall for Pride Week. Ordering class rings in November added to the excitement of the year. Although the rings did not arrive until March, the thrill of having classmates turn them according to tradition did not fade. The Juniors can look back on a satisfying year, and look forward to an equally promising senior year.

# Sophomores Realize Potential

Front: Heidi Haase, Vice-President; Debbie Dooley, President; Colette Shanahan, Treasurer. Back: Linda Googins, Secretary; Scott Elder, Cabinet Officer.

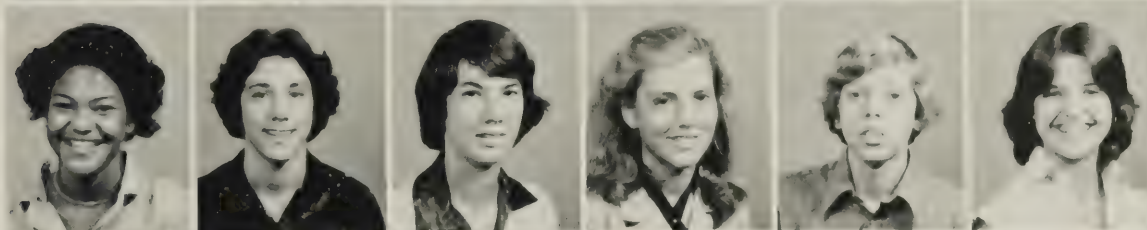

This year's Sophomore class promised to be very productive. Funds, always a problem, were raised through the sale of a "spirit chain" during Pride Week. Other more conventional methods, such as carwashes and bake sales, were also successful in raising money. The class of '81 was not out to impress anyone. Their main goal was to realize their full

potential and use it to benefit the school. As proof of their school spirit, the Sophomores planned and worked on several service projects in the community. In the words of class president Debbie Dooley, "This is only the beginning. We will become all we are capable of becoming."

# Farsighted Freshmen

Front: Deirdre Flynn, Cabinet Officers; Tony Hahn, President; Ann Wall, Treasurer. Back: Lynn Davey, Secretary; Terry Brocato, Vice-President.

On the way to achieving bigger and better things, the class of '82 began their high school years optimistically and enthusiastically. Pride and school spirit were apparent qualities of this year's Freshman class.

They became involved easily as they decorated a hall for Pride Week and attended pep rallies. The class of '82 is looking forward to their future as "the best class of FCHS."

So besides our  
regular checking,  
savings, loans and  
such, we're well  
attuned to special  
student needs.

Like parent/student joint  
checking or savings, education  
loans and the like.

At F&M we have a special  
interest in students. Because a  
lot of them turn out to be our  
best customers.

And some turn out to be  
our best bankers, too. First &
